

Hra s písmenkami

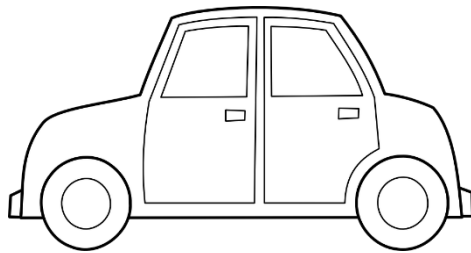

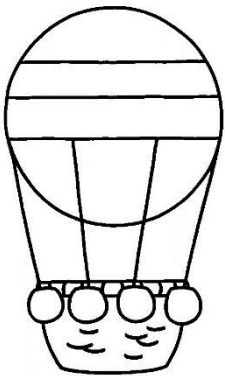

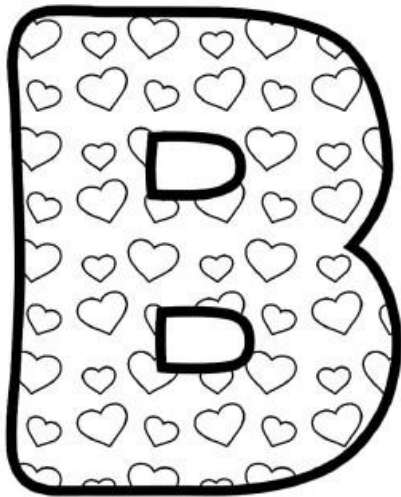

Všetky strany sú rozdelené na štyri časti a splníš tak štyri úlohy:

1. V prvom okienku vľavo hore vyfarbi písmeno, ako sa Ti páči.
2. V okienku vpravo hore niekoľkokrát obtiahni prerušované čiary a zisti, ako sa písmeno píše.
3. V okienku v prostriedku vyfarbi tie obrázky, ktoré sa začínajú na určenú hlásku.
4. V poslednom okienku vyhľadaj a zakrúžkuj určené písmeno.

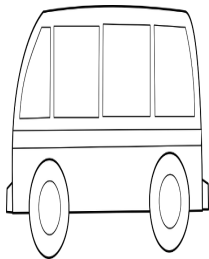

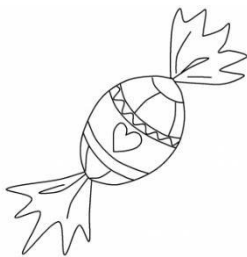

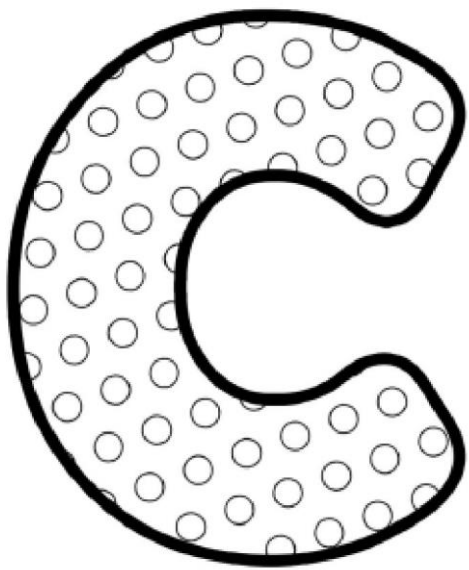

Prajem Ti veľa zábavy pri hre s písmenami.
